### **Powersports Plus Americus Gets Ready to “Rev” into High Gear**

Powersports Plus Americus was thrilled to announce their grand opening and ribbon cutting ceremony on, May 31, 2019. The festivities ran from 8 am to 8 pm, with the ribbon cutting ceremony with Mayor Blount and the Sumter County Chamber of Commerce at 9 AM. The grand opening welcomed the community to stop by for a Kawasaki ATV Give Away, with no purchase required.

“We are extremely excited for our customers to finally see the tremendous amount of work we have done. The Powersports Plus Americus staff are excited and proud to serve our customers to experience our store for themselves”, said Tom D’Azevedo, President and Founder of Outdoor Network, LLC, the parent company of Powersports Plus. The company has not only completely revamped every inch of the dealership, they have expanded and literally rebuilt from the ground up. The massive \$700,000 expansion includes doubling the size of the showroom and adding a 5,000 square foot service department.

When asked how they chose their new Powersports Plus location, D’Azevedo answered, “We were in search of new dealerships to acquire, and Americus has a reputation of being a business-friendly town.” Powersports Plus Americus carries an expansive range of brands and inventory, including Honda and Kawasaki motorcycles, side-by-side-off road vehicles, and ATVs, Can-am side-by-side off-road vehicles and ATVs, as well as Kawasaki and Seadoo personal watercrafts.

With over 300 employees, Outdoor Network LLC is a premier power sports and marine dealer and distributor national powerhouse, with locations in Florida, Georgia, and Nevada.

The Sumter County Chamber of Commerce welcomes Powersports Plus Americus to our community. Stop by and meet their staff and see all the products.
